

Sunderland Recreation Presents:
Vacation Ice Skating
Wed., Feb. 22nd
10:30 a.m. – 12:00 noon

The Sunderland Rec Dept. has rented the ice at the Greenfield Rink for Sunderland Residents on the Wednesday morning of the February School Vacation Week.

The cost is \$12 for adults and \$6 for students and younger children. Skate rental – on a first-come-first serve basis, the cost is \$5 per person.

This is a great way to introduce kids to skating at the rink or to just have some fun skating as a family or with friends (or by yourself). Please call the Rec Office to reserve your space. We need at least 40 skaters to pay for the ice – feel free to bring friends along (they don't need to be from Sunderland, as long as they are with you).

Plan to get to the rink at least 15 minutes early to get the benefit of the entire time we have the ice. **To reserve your space or for more info, call the Rec Office at 665-1439.**
